Dear Voice of Hope Family:

*“For the earth will be filled
With the knowledge of the glory of the Lord,
As the waters cover the sea.” Habakkuk 2:14*

Heather and I have in our hands, a worldwide delivery system of God’s Word. Through Strategic’s VOICE OF HOPE missionary radio stations, Jesus’ message of Salvation is being proclaimed night and day to the glory of God!

John and Heather Tayloe

I believe that the Lord has intentioned these powerful radio stations as an act of love for the millions who will listen, visit, tune in, or come across the VOICE OF HOPE on their dial, streaming service, or iPhone or Android app. The response to these messages of hope and love have been amazing!

The fact that Jesus is returning very soon for His Church, drives us with great urgency and purpose and we teach, preach, evangelize and disciple continuously and without ceasing. Millions of people living in Israel, Syria, Lebanon, Jordan, and South, Central and West Africa, Cuba, Mexico, Central and South America, and most of America can hear the Gospel of Jesus in their own language.

The VOICE OF HOPE is a unique and powerful tool of the Gospel in these important days. In Romans 10:17 Paul says... *“Faith comes by hearing, and hearing by the word of God. But I say, have they not heard? Yes indeed they have. For their sound has gone out to all the earth, And their words to the ends of the world.”*

And then in verse 20 of Romans 10 it says this... *“I was found by those who did not seek Me; I was made manifest to those who did not ask for Me.”* The voice of the Lord Jesus, spoken through the airwaves, reaching people where they are, as they are, is an incredible act of love.

STRATEGIC GIVING

Over the past months we have seen a major decrease in financial support making it difficult to operate our missionary radio stations. Still we trust God!

Please help if you can and always as the Lord leads you.

Thank you also for your prayers and notes of encouragement. May the Lord bless you this day! What an honor it is to serve along side you in the work of our Lord.

John and Heather

That the Glory of the Lord Jesus would be poured out upon those who were not even looking for Him, but respond to His call just the same. Finding life, forgiveness and eternity in Christ Jesus as Lord and Savior as they believed in their heart and confessed with their mouth that God raised Jesus from the dead, they are now saved. This is the simple message of the Gospel of Jesus and it is the work that God has pressed into our hands for this hour.

Would you help us as the Lord might lead you, to pray and to generously support Strategic's VOICE OF HOPE missionary radio stations? Would you see your giving as a strategic and vital investment into the Kingdom of God and into those who are being saved by the name of Jesus? Would you help Heather and me run as fast as we can in the Harvest Fields of the earth, while there is yet time in the season of harvest?

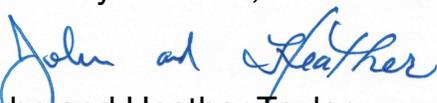

Thank you dear friends for all and anything you can do. If there is ever a time to put our shoulder to the plow, it is now. We trust God. We walk by faith. This is not a business nor do we have a corporate structure that relies upon expected funds to sustain our efforts and give us longevity of years of operation. God is good! He is faithful, and His people are moved by his Holy Spirit to act and do as the Spirit leads and directs. This has always been enough.

Thank you for supporting us in your prayers and financial gifts that do make a difference.

Luke 6:38 says that we are to, *"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."* Heather and I pray this blessing upon you this day.

What a great honor it has been these many years, and even right now, to walk by faith and to see the establishment of the VOICE OF HOPE radio stations and to see their impact upon the people of the nations. To God be the glory!

Sincerely in Christ,

John and Heather Tayloe
