

December 2018

Dear Ministry Partner,

*“Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, “Glory to God in the highest heaven and on earth peace to those on whom his favor rests.” (Luke 2:13-14)*

### **HEAVEN’S FIRST BROADCAST STATION!**

You might think this is a stretch to say – but *Heaven’s First broadcast station* began right here on earth! It’s true! Come with me for a moment to a place so wondrous and so crackling with meaning that it edged out every other *story* that has yet been told!

The story is so deep and astounding it will thrill and re-ignite your passion for the glory we’ve been given the chance to *tune into* at this moment in history. Step outside for a moment, if you will, of that neat, little pre-packaged box of understanding of the Christmas story – stuck perhaps in some dusty closet, or captured in Christmas card form in your mind’s eye ... to a larger, far more wondrous dimension!

When you think about it...what father doesn’t want to loudly announce ... yes to proclaim joyfully from the rooftops ... *the birth of His son*? In fact, what Father, knowing this will be His *only* Son coming at just the *right time* ... wouldn’t want to do so?

**John and Heather Otis Tayloe rejoicing in knowing that God’s powerful Word is being broadcast worldwide over VOICE OF HOPE!**

The Heavenly Father most certainly made use of His Creation as a magnificent megaphone to declare far and wide, though we can all agree, through *unique means* -- His Son’s momentous arrival here on earth! In Luke’s account we’re told, *“And there were shepherds living out in the fields nearby, keeping watch over their flocks at night.*

*An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, “Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.”*

Where the story gets even more marvelous is this...

*The Father used **Heaven’s Broadcast System** ...His Heavenly Hosts ... His angelic thousands upon thousands of beautiful, pure, holy, living beings sent from Heaven’s realm to earth to proclaim, to sing, to worship, **to broadcast** the arrival of His Son and the good news of that to mankind! Earth’s FIRST broadcast station – emanating from heaven and directed by the Heavenly Father Himself to us...His *listening* audience! “Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, “Glory to God in the highest heaven, and on earth peace to those on whom his favor rests.”*

### **RE-BROADCASTING THE FIRST MESSAGE**

Not to get too technical -- but radio is *the transmission of sound messages* transmitted and received through electromagnetic waves ... waves of radio frequency. As with everything the Father does...it’s *perfection!* That radio signal – that first emission or better said, *transmission* never stopped broadcasting! It went from Heaven to Earth and those with ears to hear and hearts to understand not only heard but told and re-told The Story making certain, as the Father was certain --- that they would “*re-broadcast*” the Christ Story again and again – *still meant for shepherds and kings alike to this day!*

*Strategic’s VOICE OF HOPE radio stations in ISRAEL, AFRICA and LATIN AMERICA are bursting through the spirit of darkness that has been long covering the world ...by sharing the light of the Gospel by radio waves.*

Radio was God’s idea! He used His glory and His Creation and sent His message through His Heavenly Broadcast System *to tell IT first* – before it was ever an idea in the heart of any man...but we have picked up those signals well and are re-broadcasting that ancient, epic story. Yes, we’re telling it over and over again, worldwide. From the first broadcast from Heaven itself, men and women of God’s choosing have taken the story and re-broadcast it....it has, as it ever was, been *a Voice of Hope* to those who were sitting in darkness. They have in fact seen and heard, of a great light as a result of those words of life – Jesus, *The Word of Life!*

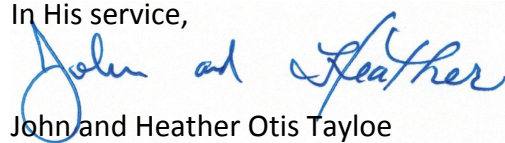

Right now, Christmas music in Arabic, English, and Spanish along with the epic Christmas story is being broadcast throughout Strategic's **VOICE OF HOPE WORLD RADIO NETWORK**. Our On-Air ministers are re-broadcasting God's original and most important message for mankind through our VOICE OF HOPE – 1287 AM ISRAEL, VOICE OF HOPE – AFRICA and VOICE OF HOPE – AMERICAS radio stations and reaching populations of more than 2-billion people. We are passionate about sharing the message and meaning of Jesus birth, life, death and resurrection with a life-changing impact to those listening. For it is the message of HOPE for all!

As you gather with family this Christmas, please remember your brothers and sisters in Christ and others who are suffering in the Middle East and around the world. Ask God to reveal how you may make a difference for them. And pray that those who are suffering will embrace the One whose birth we celebrate—The One who came into the world to save us all, as Jesus is the only answer to the devastation and hopelessness that so many are facing right now.

**Your prayers and support for the VOICE OF HOPE are so important to sending God's powerful and life-changing Word into the nations.** It is a star of Hope pointing to Jesus, bringing reconciliation for those who believe.

Thank you for praying and for standing with us in this strategic mission. Your Christmas giving is important and gives strength to our strategic outreach. May God bless you and your family!

In His service,

John and Heather Otis Tayloe  
President and Founders

## CHRISTMAS IN THE MIDDLE EAST

In the Middle East, most people have never heard Christmas music or even understand the meaning of the season. Can you imagine hearing and understanding the profound message of Christmas for the first time? Oh Come All ye Faithful, Away in a Manger, Oh Little Town of Bethlehem, We Three Kings, and Silent Night, all presented beautifully in Arabic.

Our VOICE OF HOPE radio stations for Africa and Latin America are also fully engaged in the Christmas message as carols of Hope are presented and the message of Hope is proclaimed!

Please pray and support the VOICE OF HOPE and its impact into Israel, the Middle East, Africa and Latin America!

- John and Heather
