Dear Ministry Friend,

“...But the one who stands firm to the end will be saved.” – Matt 24:13

These are times unlike any other time before it. The world is churning inside out and upside down. Very soon, Jesus will be returning for his Bride (the Church)! This is not fear-mongering, but rather the sounding of a spiritual alarm, a trumpet, a siren or let's say --- the shofar! This is a call to action! Perseverance to hold on and endure to the end is needed!

Even now, among the Jewish people worldwide, there is a celebration of what is called the Days of Awe, or the highest of holy days. It's a time to “get low” as they say before the Lord and to remember He is God, to repent before Him and to recognize the sweet gift of life we've been given and to reflect on how we might serve Him and others better in the Jewish new year. As believers, this takes on a whole new tone, as we are servants of the Kingdom of His Christ and seek His purposes to be fulfilled for His glory and Kingdom's sake.

“We are standing firm in our efforts to deliver the word of the Lord Jesus into Israel, the Middle East, Africa and Latin America by radio!”

- John and Heather Otis Tayloe

When you read Matthew 24, which many of us have throughout our lives, it most assuredly gives a sobering laundry list of events that we will witness. It may have even given us a cautious or watchful feeling in our spirit. But now, as I read it, it brings an even greater sense of urgency. If it does not for you, pray and ask God to give you His sense of urgency and timing and read through it once again. Allow His Holy Spirit to awaken you in places that have become dull or disinterested in His Kingdom Coming.

As a follower of Jesus Christ, His desires are our desires. And Jesus' desires are clearly known to us, you know the familiar verses plucked from Jesus' spiritually pregnant conversation to Nicodemus under the cover of night. Jesus quietly and confidently told Him the key to life in Himself, "...that everyone who believes may have eternal life in him." For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him."

We're not just supposed to jump in the rescue boat ourselves – but reach our hands out to others, beyond ourselves, recognizing the darkness of our day. It is a time to be bold in our faith and take the Gospel to the nations!

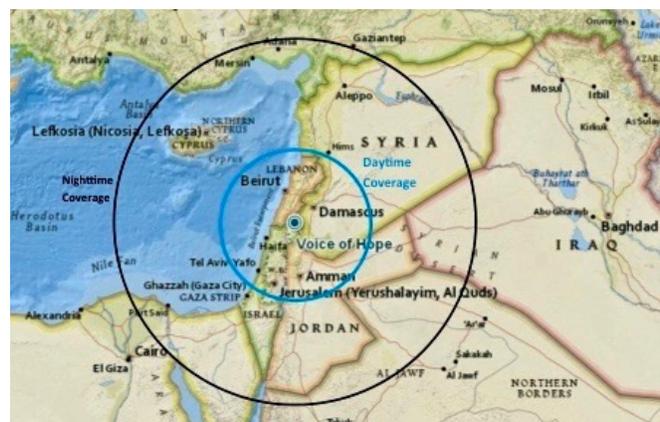

Some of us are tired and discouraged. Let me encourage you once more -- Galatians 6:9 *"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."* John and I are excited and encouraged by what God is doing through Strategic's VOICE OF HOPE radio stations in Israel, Africa and Latin America! Jesus' salvation is being proclaimed and His word is heard night and day! It has not been easy and we have been under such attack from the enemy.

Thank you for helping us in this mission this month! The VOICE OF HOPE missionary radio stations are making a difference and your help is important! We are further encouraged by what we are hearing from our listeners as shared below.

Please continue helping and praying for us. We want to do so much more; the only thing hindering us from expanding is the body of Christ rising up and considering this Your Mission too. Lift up our hands so that the Son can stand still shining brightly over the battlefield -- and we can win this epic battle playing out right now before our very eyes as we share the Salvation message of Jesus day and night over these powerful VOICE OF HOPE radio stations. Roll up your sleeves and participate! It takes everyone's efforts no matter the size or the talent – Your Savior is asking you and me to "stand firm to the end.

EMERGENCY UPDATE

This month the electric utility in Zambia where our VOICE OF HOPE – AFRICA radio station is located, just implemented scheduled power outages, due to the low water levels at the Kariba Dam hydroelectric generating station.

As a result our transmitter site is now without power from 2:00 pm - 12 midnight every day, a situation that is likely to continue well into 2020.

We have quickly introduced a new on air broadcast schedule from 6:00am - 1:00 pm daily. However our major listening audience is in the afternoon and evenings and into the late night.

We own a very powerful diesel generator at the VOICE OF HOPE that can run both transmitters. However, to operate it we will need to increase our budget by \$5,000 each month for diesel fuel. These are funds we just don't have and our diesel tanks are empty.

We are asking God for a monthly commitment of funds to purchase diesel fuel. This will allow us to keep our robust broadcast schedule reaching more than 75% of Africa with the Gospel by radio.

Please pray that what the Evil One meant for harm to impede the Gospel, will actually result in more souls being brought into the Kingdom!
