

September 2019

Dear Ministry Friend,

“Now I know that the Lord saves His anointed; He will answer him from His holy heaven and rescue him by his great power.” Psalm 20:6

JESUS SAVES!

The entire chapter of Psalm 20 has spoken loudly and profoundly to us this past month. We are faithful to all that the Lord has put into our hands to proclaim God’s great love and salvation to those who will believe upon the name of Jesus. Every day the Gospel is being presented through teaching, preaching and music to millions of people listening to the VOICE OF HOPE radio stations and responding to His word.

I think of the iconic landmark sign perched high above a theater in downtown Los Angeles... It was moved there over twenty years ago after the famous Church of the Open Door was razed to make way for a skyscraper. The two simple words “Jesus Saves” have been emitting its own form of “broadcasting” over the City of Angels for 70 years. For millions around the world, in times of trouble, hope vanishes quickly and we are left in difficult circumstances. However, hope is not lost... You just have *to look up* to see it! Psalm 20:2-3 says: “May he send you help from his sanctuary and strengthen you from Jerusalem.” This is our prayer for you as many reading today are in their own *real struggle* and needing the assurance that God is still on His throne and cares very deeply for you.

“Jesus Saves” is not just a historic sign on a building or a mere catch-phrase. It is *a broadcast* from heaven itself by the Creator of the universe to his creation! It is The TRUTH...not just *a truth* (John 14:6). There’s a difference isn’t there?

John and Heather not far from the VOICE OF HOPE radio station in Israel. You can see...the Middle East nations are within clear earshot of this strategic radio station!

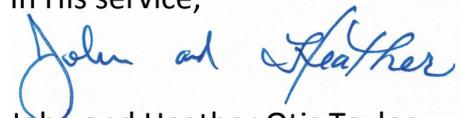

When Jesus says, *"I am the way, the truth, and the life. No one comes to the Father except through Me."* Jesus declared Himself to be not only our Savior deliverer ... but the one and the only way to get there! The devil has created a lot of "noise" and "distraction" around this Eternal Truth, but the Truth does not change about Jesus! Proverbs 18: 10 declares, *"The name of the LORD is a strong fortress; the godly run to Him and are safe."* We have found this to be so true as we have run straight to Him for safety many, many times.

It is this message of Hope that is being broadcast over the VOICE OF HOPE radio stations reaching Israel, the Middle East, Africa and Latin America. The Holy Spirit is active in nurturing this Word into a harvest of Faith to those who hear and believe. For *"Faith comes by hearing and hearing by the Word of God."* (Rom 10:17) This is the work of the Holy Spirit in us, and then flowing through each one of us as we extend the hand of His healing, saving Word out over the VOICE OF HOPE radio stations! Amen!

Thank you for standing with us in your prayers and financial support to underwrite the Gospel being proclaimed worldwide through radio. The VOICE OF HOPE is a work of the Holy Spirit and we are privileged to serve with you in its purpose.

Last month the Lord provided exactly what we needed to carry our mission forward and to pay our large electricity bills which ignite our powerful VOICE OF HOPE transmitters worldwide. This month we have a similar need and we humbly ask you to pray and partner with us, and to give generously as the Lord may lead you. Thank you!

In His service,

John and Heather Otis Tayloe
President and Founders

OUR MISSION STATEMENT:

To strategically broadcast the Gospel of
Jesus Christ across the globe, in a language
they understand, in a relevant way, leading to
disciples who make disciples.
